V. PLAYERS

All provisions in the Regulations for European Club Competitions apply unless stated otherwise in these regulations.

20. PROVISIONS CONCERNING THE ELIGIBILITY OF PLAYERS:

- 20.1 The principle of free circulation within FIBA Europe applies to the European Club Competitions for nationals from Countries belonging to the European Zone.
- 20.2 Each club participating in EuroCup Women may register an unlimited number of players who:
- 20.2.1 Have **only** the Legal Nationality of a Country or Countries belonging the European Zone; **or**
- 20.2.2 Have or had the legal nationality of a Country that does not belong to the European Zone and have acquired the legal nationality of a Country belonging to the European Zone by naturalisation or by any other means **before** having reached the age of sixteen (16). For the sake of clarity and for the purpose of this article (and article 20.4), it is considered that a player acquires a legal nationality only when she claims such right, regardless if the player has the right to acquire a second nationality at birth or is legally considered having acquired it retroactively by birth when she claims it.
- 20.2.3 For purpose of article 20.2.2, the player's passport will be considered by FIBA Europe as the principal mean of evidence to support the acquisition and the date of acquisition of a nationality.
- 20.3 Each club participating in EuroCup Women may register a maximum of:
- 20.3.1 **two (2) players** who do not have the Legal Nationality of a Country belonging to the European Zone; and,
- 20.3.2 **one (1) additional player** who has or had the Legal Nationality of a Country that does not belong to the European Zone and has acquired the Legal Nationality of a Country belonging to the European Zone by naturalisation or by any other means **after** having reached the age of sixteen (16).

For the sake of clarity, players naturalised after 16 as per article 20.3.2 may be included in the limited amount of two foreign players provided under article 20.3.1.

As a result, the three following options of registration shall be authorised for the clubs:

1	NON-European	NON-European	Naturalised after 16
2	NON-European	Naturalised after 16	Naturalised after 16
3	Naturalised after 16	Naturalised after 16	Naturalised after 16

- 20.4 These provisions on eligibility **do not** apply retroactively. Therefore, any player that has been registered or had the opportunity (by fulfilling the requested conditions) to be registered for EuroLeague Women/EuroCup Women without any restriction (not part of the quotas) under the previous regulations before 18 March 2019, shall maintain such status.
- 20.5 Once a player is registered for the current basketball season, no change of the player's national status for European Club Competitions purposes shall be permitted in the course of that season. This provision applies irrespective of the player acquiring a new legal nationality during this period (i.e the national status of a player as indicated at the time of her initial registration at the beginning [or in the course] of the respective season remains unchanged until the end of the season).
- The Club and its National Federation are jointly and severally responsible for the eligibility of Club's players at all times and will bear the consequences of any infractions of the Regulations governing the EuroCup Women, the Competitions Regulations of FIBA Europe and the FIBA Internal Regulations governing Eligibility, National Status, International Transfer and Age of Players.

21. LICENCES

- 21.1 FIBA "B" Licences for Players are subject to a payment.
- 21.2 A player who has obtained a FIBA "B" Licence does not need a separate "A" Licence, provided that the player continues to play for the club for which the "B" licence was issued.

22. PRELIMINARY ROSTER

- 22.1 National Federations shall enter into the FIBA Management and Administration Platform (MAP) all Preliminary Rosters for clubs participating in FIBA European Club Competitions.

Regular Season: Preliminary Roster opens on [Sunday 10th August 2025](#) and closes on [Friday 3rd October 2025](#) (last day for changes)
- 22.4 The Preliminary Roster is considered "final and irrevocable" for the Qualifiers and the Regular Season, as per article 22.3 deadlines.
- 22.5 Only the FIBA Europe date is valid for the above-given deadlines regardless of whether the club changed the date of the first game at the Draw.

23. PROCEDURE FOR CHANGES
