FIBA President and Secretary General Greetings

Dear Friends,

We are delighted to welcome you all to the FIBA Women's Basketball World Cup 2026 Qualifying Tournaments!

Taking place across four different locations in Istanbul, Türkiye; Lyon-Villeurbanne, France; San Juan, Puerto Rico; and Wuhan, China, these tournaments will feature the world's top players showcasing their skills and passion for their country. The 'Road to Berlin' is the longest and most inclusive in the history of the Women's World Cup, spanning over three calendar years.

In 2024, FIBA introduced the first-ever FIBA Women's Basketball World Cup 2026 Pre-Qualifying Tournaments. Bringing together 16 teams, the Pre-Qualifying Tournaments in Mexico and Rwanda supported FIBA's strategic priority to enhance women's basketball with more competitive and meaningful games for National Federations. They qualified two teams, Czechia and Hungary, to these Qualifiers.

In 2025, we saw some incredible action with the Women's Continental Cups, which delivered remarkable results across the regions, both on and off the court, and saw the winners from the AfroBasket (Nigeria), Asia Cup (Australia), AmeriCup (USA) and the EuroBasket (Belgium) secure their direct spot to FIBA's flagship women's event.

Now in March 2026, we see for the first time 24 teams, up from 16, play in the Qualifiers and try and secure their ticket to Berlin. The tournaments' new format brings more games, more excitement, and even more thrilling opportunities for fans in each of the four host countries to cheer on their home team.

Finally in September 2026, at the upcoming edition of the FIBA Women's Basketball World Cup in Germany, fans will enjoy an expanded field of 16 teams instead of 12, bringing more exciting games and even more opportunities to enjoy the biggest stars in women's basketball.

These changes reflect FIBA's commitment to bring women's basketball and the World Cup to the next level. They have been made to meet the growing demand driven by the continuous rise in the popularity of the women's game and soaring levels of engagement.

We would like to express our sincere gratitude to the Local Organising Committees of these FIBA Women's Basketball World Cup 2026 Qualifying Tournaments and to the National Federations of China, France, Puerto Rico and Türkiye. They have done their utmost to deliver a great experience for our players and fans.

We can't wait to enjoy these first-class events and of course find out who will be heading to Berlin in September. Enjoy the action!

FIBA Women's Basketball World Cup 2026 Qualifying Tournaments

The best players on the planet are taking to the court for the FIBA Women's Basketball World Cup 2026 Qualifying Tournaments across four global locations in San Juan, Puerto Rico; Wuhan, China; Istanbul, Türkiye and Lyon-Villeurbanne, France.

The prize on offer for participating nations is a potential ticket to the iconic city of Berlin, Germany for the FIBA Women's Basketball World Cup in September. It's a competition that will once again be decorated by the leading stars of women's hoops, as they fight it out for the coveted trophy. They will also have the chance to extend a truly spectacular legacy that stretches back more than seven decades. From FIBA Hall of Famers and legends of the game, to rising stars lighting it up at their first global event, the FIBA Women's Basketball World Cup has delivered magical moments since 1953.

Meanwhile after Sydney 2022 proved to be the most successful edition in history, the 2026 field has been expanded from 12 to 16 teams. That means more even amazing games and action for fans to soak up, as well as helping satisfy the still sky-rocketing demand for women's basketball globally.

The FIBA Women's Basketball World Cup 2026 Qualifying Tournaments will see dreams made and broken as players showcase their skills alongside their passion for balling with their respective national teams.

Only five nations stepping out for these four Qualifying Tournaments already have their places guaranteed for the big show in Berlin. With a total of 11 tickets still to be taken, it makes this last critical and blockbuster stop on the 'Road to Berlin' even more compelling.
